at the

Lilac Palace

Friday, September 11th, 1992

Showtime at 8:30pm

Biographies

About GLAS-GLAS is Gay Lesbian Alternative Socials. We are a social outreach to the Gay/Lesbian Community of Rochester, New York. We were founded on April 12th, 1991, we offer many social activities including but not limited to our weekly social which meets every friday evening September thru May here at the Lilac Palace from 8:00pm-12:00mid to the community. *(Socials are open to all)*

We have many annual events such as our New Years Eve Party, the GLAS Picnic, and GLAS Hike. In addition to these we also offer special events such as dances, performances by GLITS (Gay Lesbian Impact Thespian Sensations) an almost theatre group [an outreach division of GLAS]. In addition to these fine performances and activities we also have spoken at the University of Rochester. Enough about GLAS for the time being, now for our performers for this evenings show!

Anne Seale and Sasha Hedley-Anne Seale performed for GLAS in December, 1990, when it was still the Saturday Night Coffeehouse. After the show, Gary said, "If I'd known you were so good, we'd have charged admission!"

Much has happened in the career of Seale and accompanist Sasha Hedley since that time. They made an album, **"Sex for Breakfast,"** which is distributed by **Ladyslipper Inc.**, and is sold in bookstores throughout the country.

They have appeared at many Women's and Lesbian conferences, Festivals, and Music Retreats, and just returned from the North East Women's Music Retreat. They and Linny Gaudi also did an extensive tour in the winter and spring that included bars and coffeehouses in Ohio, Michigan, Pennsylvania, New Jersey, New York and Colorado. In the works is a Florida tour in December.

Linny Gaudi-"I've been playing since I was a kid, it touches me when I touch other people." Linny loves music and enjoys entertaining people. While living in Colorado Linny was active in the theatre. Since returning to Rochester 3 years ago she has traveled with Anne Seale across the U.S. as a harmonizer, and has given many community performances in Rochester.

Tonights Performance
